X. BENEFITING FROM THE GOVERNMENT PROMOTIONS

Being R&D Center

As a result of the evaluation made by the Ministry of Science, Industry and Technology Evaluation and Audit Commission, it was deemed appropriate to give the company R & D center certificate. Thus, the company has been entitled to benefit from promotions and exemptions provided to R & D centers within the scope of Law No. 5746.

Gaining R & D center status, in addition to the fact that the company creates cost advantages in production activities, will increase cooperation with universities and other R & D institutions, this will clear the way for the company to focus its R & D efforts for the use of innovative and advanced technology and we believe that it will contribute positively to turnover and profitability by creating an important competitive advantage in the markets.
